Cyclones of salvation! Tornadoes of power! Gales of grace. Celestial breezes! Collection at the door to defray expenses.—Ex.

We have reason to think that we may possibly lose our friend Robt. Richards as we have it from good authority that he has been offered a half interest in a wholesale candy manufacturing establishment in Kansas City, and in conversation with us he to-day said if he could sell his business here for spot cash he had serious thoughts of taking the offer. We hope he will conclude to stay with us as we candidly believe he would be loser if he were to give up the hold he has in Flagstaff to some one else.

The Arizonan (Phoenix) of last Saturday says: Gon Shaye, the Apache under sentence of death, attempted to take his own life in the county jail this morning. About 9 o'clock the attention of the prisoners was attracted to the cell occupied by the condemned by a strange noise as though some one was strangling. I turns, a prisoner, proceeded to investigate and found that the Indian had spiced a couple small pieces of rope together, and tying one end about his neck and the other to a bar of the cage, was suspended, and would soon have died but for the timely interference of Burns.

Jeff Shipp, one of the noted Shipp Brothers on the Santa Maria, visited Prescott during the present week, on his return from Bakerfield, California, where he and his brother recently delivered to Carr & Haggin, eight hundred head of two, three and four-year-old steers, for which they received \$17 per head, paid on delivery of the cattle on the line of the Atlantic & Pacific in Mohave County. Mr. Shipp states that already, during the present year, several thousand head of fine beef steers have been shipped from Mohave county to Southern California markets, and that the number will be greatly augmented before the fall months.—Hoof and Horn.

Also with the mountain scenery and fine climate at all points between Flagstaff and the Grand Canon. They visited the Grand Canon last week and are deeply impressed with its grandeur. They express assurance to the people here that it will not be long before thousands of people are visiting it annually. Mortgages are signed by two witnesses, the same as last year, and are folded to fit the side coat pocket. The back taxes are combed forward and part of the side nearest the mortgage. In this climate mortgages generally mature in the winter season.

In this issue appears the advertisement of John Hance, who announces his readiness to conduct parties into and out of the Grand Canon by the most expeditious routes. John has a home seat at the Canon, and is always accessible to those desiring his services.

Cashier Hoskins says that Flagstaff compares very favorably with St. Louis and intervening towns, and suits him perfectly well. He, with Mrs. Hoskins, will make it their permanent home. The Arizona Central Bank, which owes its establishment to Mr. Hoskins, may be regarded as a fixed institution—and if we may be pardoned for the expression, tolerably well fixed.

Joseph Porter, the convict who escaped from the Yuma penitentiary on the night of the 13th, was recaptured after a flight Wednesday. Superintendent John H. Behan was quite ill when the escape was discovered, but notwithstanding his sickness he procured Indian trailers and started in pursuit. The convict crossed and recrossed the Gila river, finally taking to the thick brush, through which horses could not go. Superintendent Behan, coming upon a trail where he led into an almost impenetrable thicket, took the lead and advanced upon the ambushed ruffian, who was armed with a Winchester rifle. The convict fired at Behan, who returned the fire and kept advancing until the convict fired again, through the brush, but was finally overtaken by Behan and captured.—Tombstone Prospector.

EDITOR CHAMPION:

Not wishing to be called a kicker but at the same time I feel as though it is but right to express the feeling of a majority of the business men on Railroad Avenue.

Within the past week two Chinamen have been permitted to rent and engage in business on our main street. Our citizens know that on account of the Chinese an ineffectual attempt was made last year to set fire to the town. Those of us who are so fortunate as to have insurance know that if they are permitted to remain the insurance agent will cancel our policies. It behooves our citizens to consider this matter and see if it is policy for the sake of a few dollars to jeopardize our town. Let us hear from others on the matter.

MARRIED.—CURTIS—ROBERTS.—At the home of the bride's mother in Phenix, by T. W. Wood, J. P., U. Z. Curtis, of Flagstaff, to Miss Ellen Roberts, of Phenix.

Half of the Town Laid in Ashes.

A fire broke out in Kingman at 4 o'clock on the afternoon of the 17th, under the porch of a barber shop in the Lake building. The dry wood work burned with lightning rapidity, and by the time the fire was discovered it was too late to avert a conflagration.

Adjoining buildings were quickly ignited and in a few minutes all of the block, which included a fine new hotel owned by Spear Bros., was ablaze. It was impossible to check the fire, and all the buildings in the block were destroyed, as well as four others closely adjacent in another block.

The balance of the town was saved by hard and unremitting work. The losses are extensive, the heaviest falling on Beecher & Co., who carried a \$10,000 stock, partially insured. The other losses range from \$1,200 to \$4,000 each, and aggregate about \$50,000.

Determined to Die.

Last Saturday, early in the morning, Quong Sing, a convict in the Territorial Prison, committed suicide by hanging himself. The body of the suicide was found about seven o'clock. Quong Sing secured a piece of quarter inch cotton rope, tied it around his neck, climbed the grating of the cell door and tied the rope to the highest bar of the door; he then turned around letting his feet slip from the grating, and freed himself from care and imprisonment.

The deceased Chinaman was convicted of murder in Pinal county, having killed another celestial, and was sentenced to imprisonment for the term of his natural life; he attempted to kill himself before being brought to Yuma. The coroner's inquest held by Judge G. A. Ringwald, rendered a verdict in accordance with the above facts.—Yuma Sentinel.

An Important Element.

Of the success of Hood's Sarsaparilla is the fact that every purchaser receives a fair equivalent for his money. The familiar headline "100 Doses One Dollar," stolen by imitators, is original with and true only of Hood's Sarsaparilla. This can easily be proven by anyone who desires to test the matter. For real economy, buy only Hood's Sarsaparilla. Sold by all druggists.

Worth Knowing.

That Alcock's Porous Plasters are the highest result of medical science and skill, and in ingredients and method have never been equaled.

That they are the original and genuine porous plasters upon whose reputation imitators trade.

That Alcock's Porous Plasters never fail to perform their remedial work quickly and efficiently.

That for Weak Back, Rheumatism, Sciatica, Colds, Lung Trouble, Kidney Difficulties, Malaria, Dyspepsia, Liver and Stomach Affections, Strains and all Local Pains, they are invaluable.

That when you buy Alcock's Porous Plasters you obtain the best plasters made.

Dyspepsia

Makes many people miserable, and often leads to self-destruction. Distress after eating, sour stomach, sick headache, heartburn, loss of appetite, a faint, "all gone" feeling, bad taste, coated tongue, and irregularity of the bowels, are the more common symptoms. Dyspepsia does not get well of itself. It requires careful, persistent attention, and a remedy like Hood's Sarsaparilla, which acts gently yet efficiently. It tones the stomach and other organs, regulates the digestion, creates a good appetite, and, by thus overcoming the local symptoms, cures the Headache, Sick Headache, and refreshes the tired mind. "I have been troubled with dyspepsia. I had but little appetite, and what I did eat distressed me, or did me little good. After eating I would experience a faintness, or tired, all-gone feeling, as though I had not eaten anything. My trouble, I think, was aggravated by my business, painting, and from being more or less shut up in a room with fresh paint. Last spring I took Hood's Sarsaparilla and it did me an immense amount of good. It gave me an appetite, and my food relished and satisfied the craving. I had previously experienced." GEORGE A. PAGE, Watertown, Mass.

N. B. If you decide to take Hood's Sarsaparilla do not be induced to buy any other.

Hood's Sarsaparilla

Sold by druggists. \$1; six for \$5. Prepared by C. L. HOOD & CO., Apothecaries, Lowell, Mass.
